CIRCULAR FOR NURSERY TO XII TRANSPORT SECURITY

NIPS/CIRNO/2/P/August 2019-20

August, 2019

Dear Parents

We have attached great importance to enhance the Safety and Security measures for children travelling not only in our own School Buses but by also private vehicle (Van/Auto/Car). I would like to bring to your notice some of the measures taken by the school in this regard:

- The school has done a physical check on all the private vehicle (Van/Auto/Car) which ferry students to and from school, and we have maintained a detailed record of all the vehicles along with their Registration Certificate, Driver's Badge and Licence.(In case any change of new vehicle (Van/Auto/Car) please inform the School Office immediately with vehicle details)
- There was a major crack down on overloaded vehicle (Van/Auto/Car) and this has resulted in increasing the number of vehicle (Van/Auto/Car) substantially. Now none of the vehicle are ferrying students more than the permissible limits of the same.
- Every School Bus has a teacher in-charge, who is responsible for taking attendance before the students are handed over to the designated Bus driver. This ensures that no child is left behind.
- Members of the School transport department make surprise checks to ensure that the vehicle drivers are following all safety norms like:
 - Escorting the children across the road.
 - Boarding and de boarding children from the left door of the vehicle (Van/Auto/Car)
 - Dropping the nursery and KG children in an orderly manner, at the assigned gate.
- Any misconduct in the vehicle (Van/Auto/Car) is viewed very seriously and action is taken immediately.
- Gentle Reminder for Parent-Without Proper Parents ID card that no child will be handed over to anyone after school during dispersal time. (For Primary Classes)

We have taken appropriate measures to ensure students' safety in the vehicle; however, we will recommend you to send your ward to school in the school bus, which is a safer mode of transport than private vehicle. In case you want to avail the school bus facility, you are requested to contact the school office to check for any vacancy in the bus route of your area.

We always look forward for your continued support and cooperation.

(R.Buvana)
